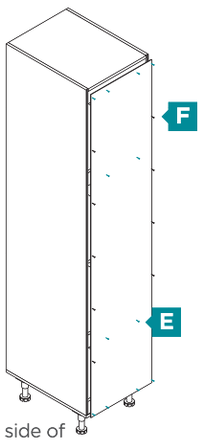
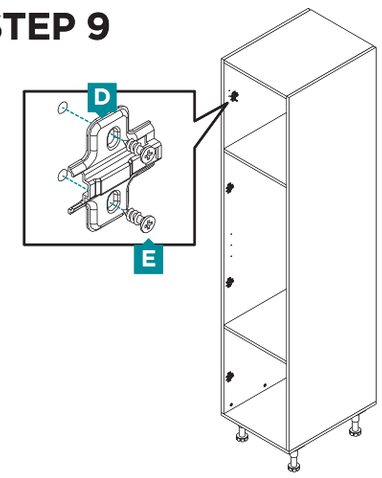
stop: If this cabinet is to be installed at the end of the run refer to the kickboard instructions now on the correct placement of the feet.
Set the height of the adjustable feet to 145mm to suit the kickboard.

STEP 8

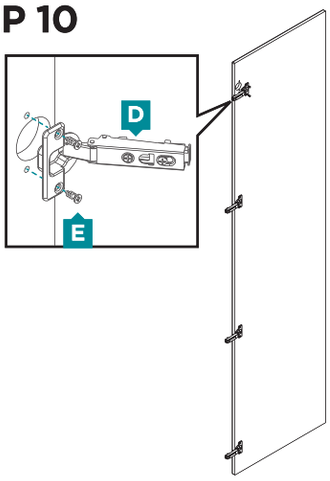


note: The white side of the back panel should face inside the cabinet.

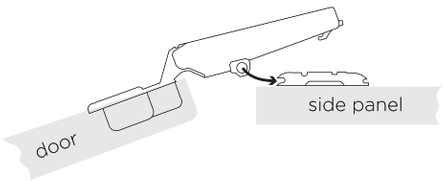
STEP 9



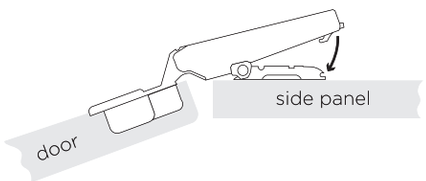
STEP 10



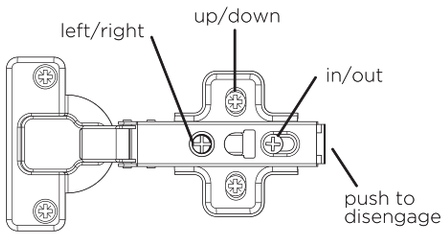
STEP 11



Clip the door onto the hinge plates.



Now push down to clip hinge securely together.



To align doors adjust marked screws.
